## The great thing about giving is the Relationships

As I recently paused to reflect on the milestone of my parents 50<sup>th</sup> wedding anniversary, it got me thinking about the importance and value of relationships in general. It certainly takes patience, communication, and a willingness to work together to reach fifty years of marriage. Applying these same principles can help us establish relationships with those around us at Light of Christ, our workplaces, and within the community. Through giving my time and talents at Light of Christ, as well as school and community groups, I have had the opportunity to make many relationships with people I would not have otherwise had the chance to connect with. Applying these principles, I've built relationships with people of similar interests and with people I may have little in common with. I find value in all of those relationships because I often have the opportunity to learn and gain alternative perspectives, arguably more through the relationships with people that may see things from a different perspective than I do. As you think about how you spend your time and talents, consider the benefits that can come from creating relationships with people you may not have otherwise crossed paths with.

*Two are better than one, because they have a good return for their labor. If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up. Ecclesiastes 4:9-10*

Flat Jesus visited the Dinosaur Museum in SD with the Wortz family. He also checked out the fort the kids made by their cabin.

Flat Jesus went to the vet clinic with Daisy Mae (Lee & Cheri Ashfeld's fur-baby) so she wasn't scared.

## Announcing – Faith, Earth and Living Sustainably Discussion Group

Everyday there is more disturbing news about the health of our common home – earth. In Genesis we learn that God created the heavens and the earth and saw that it was good. We are called to steward the earth and it seems that we're failing. The press is good at reporting negative news, but not at what to do about it. So, if you're confused and don't know how to become better stewards you are not alone. This discussion group is being formed to give members who want to do more a place to share and learn – not only about the problems, but also about the steps we can each take to live more sustainably while being rooted in faith. 12 Thursday night sessions are planned, starting in October and ending in January. The discussion group will be led by new Light of Christ member, Paul Nelson. Paul is a trained facilitator and spent his career in the environmental field. For more in-depth information regarding the discussion group, please [click here](#). To register for the group, email your contact information to the [church office](#).

Each gift is an act of faith. Each act of generosity expresses the truth that we were made to give. Thank you for partnering in this ministry we all share here at Light of Christ!

## 2 Volunteers Needed

### Each Sunday Morning

Please click [HERE](#) to sign up for greeter/usher duties for Sunday morning worship!

### It only takes a SPARK to make a world of difference! Are you that SPARK???

SPARK is an after-school program that meets from 3-5:00 pm on Wednesdays. Due to the ongoing pandemic, we have combined groups in order to be outdoors.

- **Grades 3 & 4:** Sept. 15, 22, & 29
- **Grades 1 & 2:** Oct. 6, 13, & 20

In order for this group to meet we need another adult assistant. Are you willing to be that SPARK in these young people's lives? If so, contact [LaDonna](#) or the [church office](#).

Registration forms are available online for our fall ministries—please click the links below to register:

- [Sunday school \(3 years-Kindergarten\)](#)
- [Sunday school \(Grades 1-4\)](#)
- [SPARK](#)
- [Club 5/6](#)

### Rally Sunday

As we move into a new fall schedule in the midst of an ongoing pandemic, the term "Rally" seemed appropriate. The definition I like best is to **"come together and arouse for action."**

**MARK YOUR CALENDAR!! Rally Sunday is September 12<sup>th</sup>.** We begin with outdoor worship at 9:00 am. There will be food and numerous activities planned for children of all ages! And there are areas of ministry and service that, as you are aroused, you can be active in.

### Orientation Days!!! Sept. 1<sup>st</sup> for 4-6 Graders; Sept. 7<sup>th</sup>-8<sup>th</sup> for K-3

We're excited!! On **Sept. 1<sup>st</sup>** and **Sept. 7<sup>th</sup>-8<sup>th</sup>**, when you stop at the school for open house or orientation, stop by the church as well. We will do individualized blessing of backpacks, will be offering a special gift, and will have a folder filled with a calendar and activities that are being planned throughout the school year! Sunday school, SPARK, and Club 5/6 are all happening soon -- **Catch the excitement!!!!**

### A Little Time... A Huge Impact!

Being a Confirmation Guide only requires a few hours a month (because Guides work in teams) and yet the impact you can have in the life of one of our youth is huge! Plus we often hear that Guides get as much as they give. And you don't need to be a Confirmation parent to help! If you are interested in helping out or learning more, please talk to Kirsten or Pastor Bruce. Thanks for your prayers and support as we begin a new ministry year!

## Confirmation Registration and Info

Confirmation at Light of Christ traditionally takes place during grades 7-9 (with Affirmation of Baptism celebration taking place the spring of 10<sup>th</sup> grade). Confirmation is an opportunity for youth to learn, make new friends and grow in faith as they journey to "affirm" the promises made in their baptism. Families are asked to register each year so that we have the most current info for each child/family. 10<sup>th</sup> grade students do **NOT** need to register but will receive updates via email.

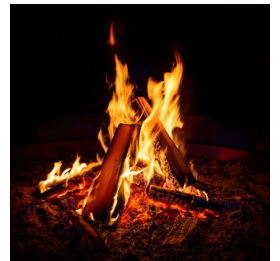

This fall we will meet entirely outdoors on Wednesdays from 6:30-7:45 pm (with HS Fellowship taking place from 7:30-9:00 pm) through MEA. After MEA we will assess things to make a decision for winter plans. If there is heavy rain, we will just cancel (not meet online or plan to reschedule). Please visit our [website](#) for our registration link and fall schedule plans.

Here are a few other details:

- We ask that each youth/family have a Gmail address so that they can join and access their small group's Google Classroom.
- **Confirmation Orientation** will take place on **Wednesday, September 8<sup>th</sup> from 6:30-7:30 pm** at church (for all youth and at least one parent) followed by our **Guide Training (7:30-8:30)**.
- Our first day of Confirmation is **Wednesday, September 15<sup>th</sup>**.
- Please register as soon as you are able so that we can plan!
- **We ask that 7<sup>th</sup> graders register no later than Wednesday, September 1<sup>st</sup>** so that we can plan small groups.

## HS Fellowship this Fall

Youth in grades 9-12 are invited to participate in HS Fellowship each Wednesday night from 7:30-9:00 pm outside at church beginning September 15<sup>th</sup>. This year we will begin our evenings by helping to lead large group games for Confirmation. Then we'll have a bonfire, snacks, other games and fellowship time. We'll also share our Highs and Lows and have some faith conversations. Topics will be announced in September. Hope you can join us!

## High School Assistants

If there are any HS youth that are interested in helping with a Confirmation Small Group (teaming up with an adult Guide) or helping to lead/teach Sunday School, please talk to [Kirsten](#) or [LaDonna](#). We'd love to help you develop your leadership skills, share your gifts and build your resume!

## Young Adult Small Group

This fall we are starting/trying something new... join us on Monday, September 13<sup>th</sup> from 7:30-8:30 pm at church for our very first Young Adult Small Group! This will be a time of fellowship and devotion for college-aged youth and those in their 20s. On 9/13 we'll have a bonfire and time for fellowship and also discuss ideas for the future. We hope to do some service events together and have great faith/life conversations. Please spread the word, invite your friends (and parents, please tell your kids 😊) and join us for this new adventure!
