Light of Christ 2023 Stewardship Program

September – October 2022

Watch Gratitude grow during Stewardship Month

Our Gratitude-themed stewardship month begins this week. Each household's info packet includes slips of colored paper attached to a brochure. *Why?* They'll become links in a growing Gratitude Chain that will encircle the sanctuary! Write something you're grateful for on each link and bring them to Sunday worship. We'll repeat this activity throughout the four weeks and watch the Gratitude Chain grow!

During these weeks we'll also focus on what makes us grateful to be Light of Christ members: staff and volunteers, youth and adult programming, accommodating facilities, and outreach opportunities.

When we practice gratitude, it increases our ability as a church, congregation or family to joyfully give to those things which are life-giving and liberating. Thank you for joining us in the ministry of teaching and experiencing gratitude.

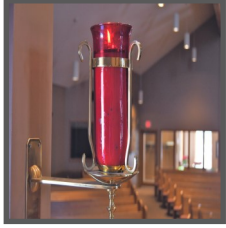

-- Stewardship Committee

First Communion

We will be celebrating First Communion on Sunday, **October 30**. As we welcome all children to the table, it is left to the discretion of parents to determine when their child is ready to receive. First Communion instruction will be in person on Sunday, October 2 or Monday, October 3 from 6-7 (*families choose one*). The 2nd class will be held Sunday, October 9 or Monday, October 10 (*families choose one*). To register your child, click this link: <https://lightofchristdelano.breezechms.com/form/961297>

Low Commitment Volunteer Opportunity

Help is needed to keep the oil filled in the sanctuary candles as levels get low. If you're interested or would like more information, please contact Linda Rosaaen at 763-478-6298.

Monthly Food Distribution

Light of Christ continues to bless our neighbors through our food distribution ministry. This past week, we distributed 70 boxes of fresh produce, baked goods, canned meat, milk, yogurt, and more. As well, we offer prayer and other small "faith help" books to those who come by. And we invite our guests to write down prayers on the backside of a sheet we pass out. Then our team circled up at the end and prayed all these prayers.

Thanks to all who help in this ministry. If you would like more information or would like to sign up to help, please reach out to Tim Johnson.... or click on the one of the following links:

Caring Corner

(from Sue Fink of the Healing & Wholeness Committee)

As I began thinking about where God is leading our Healing and Wholeness Ministry this coming church year, I looked back on all we've done the past 2 ½ years. Our focus up until now has been on bringing awareness to mental illness, encouraging conversations about our commonality in living with mental illness in ourselves and those we care about, educating us on various mental illnesses, and finding ways to help ourselves and one another to achieve mental health.

God put on my heart this week to consider what healing and wholeness actually mean, as a compass to lead us to a clearer focus on what it can mean for our Light of Christ family as we continue developing our Healing and Wholeness Ministry.

My online research found several examples of definitions:

Wholeness, according to Webster's dictionary, is "the state of forming a complete and harmonious whole; unity". Also, "the state of being unbroken or undamaged" which can refer to things, ideas and people. Spiritually, wholeness is the state of being perfectly well in body, soul (mind, will and emotions) and spirit, which was God's original design for us before "the fall." In eternity we will return to pure wholeness because of Jesus.

Healing means to "make whole or sound or free from illness or disease." Interestingly the word "heal" comes from the ancient word, *haelan*, which is also the root of the word "holy" which means "spiritually pure." Centuries ago, humans associated healing with perceptions of wholeness and spirituality.

Healing is related to wholeness and wholeness is experienced in connection with others. We're meant to seek help and offer help to one another. And healing can occur in ways other than curing. As a hospice nurse I learned that healing and wholeness for a person can happen through very serious illnesses and even as a person is dying.

Our Light of Christ family is becoming more transparent in sharing our troubles which in turn brings us closer and more connected. Let us also share our faith and prayers with one another because it is through our common shared faith and grace that we become whole together and as individual and unique children of God.

God seeks you continually. May you listen and seek Him and surrender every nook and cranny of your life as you grow toward healing and wholeness.

*True healing is more than restoration
of flesh and blood or knitting of bone to bone.
True healing is wholeness, where body, soul and spirit unite.
True healing is peace, the knowledge of God's presence, a
hope that knows no end.
True healing cries 'Father, not my will but yours.'
True healing knows love perfectly, a love that casts out fear.
True healing overcomes,
endures,
for eternity.*

Vision Conversation Groups You're Invited!

We have spent much of this year listening, praying, deliberating, and considering how Light of Christ might best step into the next few years of ministry together. There are many ways to go, potential goals to set, priorities to pursue. And yet we sense that the Holy Spirit has revealed some important things for us to focus upon.

As a church family we seek your input and reflections on two main areas: Ministry Initiatives ideas (that will give shape for the next 3 years); and Facilities Opportunities (a variety of things that can help our church continue to be a place for mission and community).

Vision Conversation Groups

One hour guided sessions designed to facilitate learning, conversation, and feedback on our two main areas under consideration. [Click here for a brief video](#) introduction from Pastor Bruce and Tim Johnson.

Ministry Initiatives we'll talk about:

- **Deepening Our Connections** – Relationships – large group gatherings. More intimate settings.
- **Growing in Healing/Wholeness** – Our new ministry team has made so many strides. And yet we know there's more to grow and expand.
- **Expanding our Invitation, Welcome & Hospitality** – Delano continues to grow. How will we reach out? How do we best communicate our inclusive and warm welcome?
- **Being a Hybrid Community** – Live-steaming worship...yes! But how else can we grow opportunities for people to connect with ministry and faith? Let's talk!
- **Creation Care** – Being stewards or managers of what God has entrusted to us is a central tenet of our faith. Time, talent and treasure...yes. But what opportunities do we have to become more energy efficient? Utilize some portion of our property for the creation? Other?

Facilities Opportunities we'll talk about:

- Bathrooms refreshes
- Expanded narthex/fellowship area
- Enhanced building security
- Improved digital connection conference room
- Outdoor worship/events area improvements
- Kitchen refresh
- The parking lot
- ...and a bit more

We'll share detailed drawings and estimated costs so that you can give some input/feedback. What feels most important? What might best help us live into our vision and mission?

Below are some highlights from the Children and Family Ministry Fall Rally Day Carnival. It was a wonderful day of fun and fellowship!

Thanks for the Memories!

We had a great “last chance” Summer Youth Activity Night on 8/31! Kids played Kubb (a great lawn game) and Gaga ball and then finished with ice cream and a game of “Sardines” in the church. We’re looking forward to another great year but sure loved our summer memories! Thanks to all of the youth and families who participated and especially to Anna Tool for her organization of our summer youth nights!
