## Shared Leadership Orientation Meeting

The 2021 all Council and Committee Orientation Meeting is scheduled for **tomorrow, March 2<sup>nd</sup> beginning at 6:30 PM.** The meeting will be conducted via Zoom and all Light of Christ Committee and Council members are encouraged to attend.

This meeting provides an opportunity to welcome new members to Council and Light of Christ Committees, and to spend a little time getting to know each other. The agenda will focus on the respective roles of Light of Christ leadership, congregation, and staff. Best practices will be shared as we work together to focus on priorities for the coming year!

Additionally, there will be an opportunity for Zoom breakout groups if committees choose to conduct their regular monthly meeting immediately following the joint session.

A Zoom link, agenda and meeting handouts were sent via email last week. If you missed these and need them sent again, please contact the church office.

## A New Habit?

For many of us, the act of giving an offering, placing something into the offering plate, is an act of worship. It is a moment when we're mindful of taking something of importance, something that we value, and giving it away as an act of faith, of love. It's just a moment, but it seems fraught with significance. Simply put, it matters.

But here's an idea if you need one. Set aside a set moment or two each week (after all, it's Lent), to consider or to give your offering. If you're an automated giver, perhaps you want to consider an extra gift of thanksgiving as an expression for something or someone in your life. Maybe you want to write a check as an expression of gratitude or recognition for our faith family or for the blessings of the past week. Perhaps you just need to give because you're a giver, and doing something extra feels right to do.

- ◆ Take a moment to pray, to count your blessings
- ◆ Offer a prayer of gratitude
- ◆ Perhaps place your hand on your wallet or purse as you are mindful of that automated gift you give, and imagine as it is gifted to God's work
- ◆ Maybe you write a check or electronically give a gift online and then offer a brief sending: *"To you, O Lord, in thanksgiving for my life and \_\_\_\_\_"*

No, it's not exactly the same as when you're at church and can offer a gift in the way you might be used to. But you can create a new habit, a new ritual, a new act of worship right there at home. Try it. Let us know your experience.

Grateful for your generosity!

Your Stewardship Committee

## Caring Corner

(by Lona Jose with LOC  
Healing and Wholeness Ministry)

We all know it has been a very difficult year for everyone with COVID, losing or being separated from loved ones, employment challenges, food shortages, schooling at home and many other changes. The word depression has been in the forefront for many people during this time. Sadness and grief are normal emotions for everyone but this last year has affected everyone in a different way. Some who struggle with major depression may be struggling even more during this time. In a given year, 6-8% of people will have a depressive episode and 20-25% will experience depression in their lifetime. Children and adolescents also can struggle with depression. And parents struggle at times to help their children understand their parent's depression.

Most people with depression respond positively when they seek out support and treatment, including therapy, fellowship with others, depression medication, exercise, meditation, light therapy for seasonal affective disorders (SAD) which is more common this time of year and other supports.

As a church community, we are here for you. We want our church to be a safe place for all, open to support those with mental illness, befriending and praying for those who are struggling. Mental illness is not a weakness; it's an illness. Our [church website](#) under **Support** offers several links to assist you through your struggles including prayer chain, pastoral calls/visits, caring cards, [NAMIMN](#), the Warmline, Mental Health MN and several others. We also have several excellent books about mental health in the church library. We also hope to begin in person support groups and informational speakers soon once we can gather safely. **We are here for you!** Let us know how we can support you. And we know the Lord is always there for us as the following scriptures share:

**2 Corinthians 1:3-4 Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles so that we can comfort those in any trouble with the comfort we ourselves receive from God.**

**Psalms 46:10 Be still and know that I am God.**

**Psalms 3:3 But you, O Lord, are a shield around me; you are my glory, the one who holds my head high.**

**Isaiah 41:10 So do not fear for I am with you; do not be dismayed for I am God. I will strengthen you and help you; I will uphold you with my righteous right hand.**

**YOU ARE GOD'S BELOVED!!**

Please join us for our virtual Holden Evening Prayer Lent services, posted every Wednesday at 8 AM on our [YouTube](#) and [Facebook](#) pages. They will also include faith statements from our tenth graders.

### Light of Christ Committee Opportunities

The new church year for 2021 is just beginning, holding grand expectations for a time when we can again be together in person to live out our ministry and programs with great enthusiasm! Do not miss being a "hands-on" contributor to all that Light of Christ has to offer to our congregation and our community.

There are several open opportunities for service as a member of one of the many active Light of Christ Committees. Your involvement will be a blessing to so many as you also reap the benefits of new perspectives, new friendships, and closer relationships within your church family.

Please consider sharing your time and talents by joining with fellow congregation members currently serving on a Light of Christ Committee. Wherever your passions lead you, there is an opportunity to serve! The greatest immediate needs for additional participation are on **Evangelism/Mission Committee, Healing & Wholeness Committee, Small Group Ministries, Stewardship Committee and Worship & Music Committee.**

Please contact Jinnelle Weis by email at [Jinnelle.Weis@locdelano.com](mailto:Jinnelle.Weis@locdelano.com) or by phone at 952-250-5527 to volunteer your services or to request additional information regarding any Light of Christ volunteer opportunity.

Thank you for your service!

### Connect and Converse during Zoom Bible Study

**Sundays 5:00-6:00 p.m. via Zoom**

Come to explore what God's Word says for life today. Each week we take a portion of Scripture. All are welcome!

To get your Zoom link for the study, email Tim Johnson at [tdale57@gmail.com](mailto:tdale57@gmail.com).

You may be as active in the discussion as you like. We all learn a little something from each other as we ponder the power and beauty and truth of God's Word.

*"I joined this group at the height of COVID unknowns and fear. More than anything, it has given me a new group of Light of Christ friends I feel connected to. I learn from each of them and their life experiences,"* shared one participant.

### Fun! Fellowship! Food!

Are you ready for a great night of entertainment, food and fellowship? On Sunday, March 21 at 7:30 pm, you are invited to gather with other LOC members on Zoom for a great event to raise money for our youth! Since we cannot safely have our annual Spaghetti Dinner and Silent Auction fundraiser, this year we are being creative and are having a different sort of event. The night will begin with a short "program" which will include entertainment (by the youth and Marcus Hanson), youth mission trip "testimonies," and a slide show. And while this is going on, you will be able to share some great food and drinks with your family which will be delivered to your door by our youth. Money raised will help support youth going on the HS Mission Trip (those who still need to raise funds) and the Youth Room remodel project. For more info and to register, please follow the link below:

registration up to current 8<sup>th</sup> grade LOC youth and possibly other friends.

## EVERY MEAL FIGHTING CHILD HUNGER

### Sunday School Offering Project

**Over 200,000 children** in Minnesota do not always have access to the nutrition they need to learn and grow. Without reliable access to food – such as free and reduced meal programs at school – the risk of hunger is very real. Every Meal focuses on the weekend food gap, summers, and extended breaks when children are not able to receive meal programs at school.

#### **STUDIES SHOW:**

- One third of students have shown better grades as a results of backpack programs.
- About two thirds of participating students appear less worried about food and healthier.
- Over 50% of students demonstrate high self-esteem after receiving food from a backpack program.

Our Sunday school offerings will be collected from now until the end of the school year to help support Every Meal Fighting Child Hunger (formally Sheridan Story). ***Their mission is to help stop child hunger across Minnesota.*** Children can find a container to use at home, print this label [SS Offering project printable](#) and attach it to your container. Throughout the next couple of months, we will have drop off dates to bring your offerings to church. More details to come. If you have any questions, please contact Kim or Catherine.
