## January Fifth Sunday Offering Benefits Feed My Starving Children

January's Fifth Sunday Offering's focus is on raising funds to help Feed My Starving Children (FMSC) to continue to provide nutritional meals to the world's most vulnerable starving children in these challenging times. For a time in 2020 FMSC had to stop their packing events (including one that was to have been in Delano last June), but they continued to pursue other ways to still provide food to the hungry. View this video to see how they found new ways to pack food during this time: <https://youtu.be/DyQ-ANaxrus>. Later they were able to reopen their permanent sites for packing events per Covid-19 guidelines, but still were not able to do their mobile pack events out in communities.

Undernourished children are more susceptible to infectious diseases like Covid-19. The World Food Programme says that 2021 will be a "make or break" year as many countries dealing with starvation could be overwhelmed from the effects of Covid-19. FMSC believes hope starts with food. For the amount of just one quarter one meal can be provided – for every \$1 four meals can be provided – think of the difference your donation could make.

**\$88** feeds a child for a year  
**\$365** feeds a family for a year  
**\$1,866** provides a pallet of food  
**\$10,000** feeds a village

To see some of the ways your donation could make a difference view these two videos – "Food at Work: Brian's Story" - <https://youtu.be/nrXQ1legCSY> and "Update from the Field – Haiti" - <https://youtu.be/aeAi0vnsz9M>, or go to their website <https://www.fmsc.org>.

Your gift could go a long way to help fight world hunger.

"For I was hungry and **you gave** me something to eat." (Matthew 25:35)

## Items Needed at Delano Food Shelf

Light of Christ members have asked what items they might donate at this time to the Delano Helping Hands Food Shelf. Ideas include shampoo, conditioner, women's hygiene products, toothpaste, bar, dish and laundry soap, hand sanitizer, Jello, pudding, tea, cake mix, frosting, taco shells and seasoning. Items, as well as monetary contributions, can be dropped off at the food shelf on Thursday afternoons between 1-4 or at JoMarie Williamson's home in Delano (536 Meadow Rose Ct.). Thank you for continuing to support those in need with these essential items!

## Caring Corner

(by Sue Fink with LOC  
Healing and Wholeness Ministry)

Prayers for a blessed and healthy  
2021 for all of you!

The Healing and Wholeness Ministry becomes an official committee for LOC this month. We have accomplished a lot in our first full year, bringing awareness and education about mental illness, creating a new webpage on the LOC website with support and resources quickly accessible, providing encouragement and information via the Caring Corner, and gathering books and a multitude of resources available on our Mental Health Resource cabinet in the Narthex. Our support groups have been sluggish in getting started but we're hopeful new year's resolutions toward self-care will bring participants. Please check our webpage for information for yourself or recommend it for a friend.

In spite of our safe-distancing guidelines we continue to be excited and are moving forward with the leading of the Holy Spirit, with new ideas and goals for 2021 toward personal healing and wholeness. Stay tuned...

*True faith is keeping your eyes on God  
when the world around you is falling apart.*

## Virtual Story Time!

Virtual Storytime with Mrs. Borman officially kicked off on Sunday, Jan. 3<sup>rd</sup> for preschoolers and kindergartners. It started off with each of the children getting a chance to share about one thing they did over winter break. Ice fishing and sledding were both popular events. Then Mrs. Borman read the book, *All the Colors of Christmas*, by Matthew Paul Turner. He is the bestselling author of the popular children's books, *When God Made You* and *When I Pray for You*. As Catherine read the book, she showed different things made of the colors that the story mentioned, including a sparkly, gold, angel ornament. The children then searched for items that were made up of 2 colors that were not mentioned in the book (purple and pink) and then took turns sharing what they found. Overall, it was a great time for LOC's youngest members to connect! The next Virtual Storytime with Mrs. Borman will be for 1<sup>st</sup> and 2<sup>nd</sup> graders and takes place on Sunday, Jan. 17<sup>th</sup> at 6:30 p.m. As mentioned before, wearing comfy pajamas and snuggling up with a favorite blanket and/or cuddly toy is highly recommended.

## High School Bible Study

Pastor Bruce often describes the Bible as an "epic narrative" like that of *Harry Potter* or *The Chronicles of Narnia*. Yet we don't seem to be as fascinated in the story of the Bible or read it as often as we do other novels. Join us in January to learn more about the Bible and the Bible's big story... and also some suggestions on how to read the Bible. We'll explore some Bible Project videos ([www.bibleproject.com](http://www.bibleproject.com)) and talk about how the Bible applies to our daily life. You'll learn some practical tools to help you feel comfortable navigating the Bible, which may even help you as you head off to college. We'll meet online on Wednesday nights in January from 8:30-9:30 pm. Email or message Kirsten to "sign up" and she'll send you the Zoom link.
