## Staying Vibrant!

Staying Vibrant. Staying connected. Staying grounded. Staying focused. Staying faithful. All easier said than done!

Staying Vibrant is what we feel the Holy Spirit is stirring us to do--both as individuals and as a faith community. Light of Christ is a place of deep faith, of hope and compassion, of friendship and creativity, of vibrancy. And while there's much these days that creates stress or has us perhaps feeling apprehensive, we know that staying connected has everything to do with staying vibrant in life.

Staying Vibrant is our fervent prayer and eager vision as we approach a new year of ministry together. Light of Christ is committed to growing through and into this very new and different season of life. Together is the key. We're all needed. **YOU** are needed. **YOU** are valued--indeed, God's Beloved, as it says out front of the church.

Check out this week's video from our Stewardship Team, and also pray about making a financial pledge (a separate click-link below) for our shared ministry for 2021. We can only do this together, connected, faithful, and vibrant, as we take on the challenges before us. God bless you for your love and faithfulness!

## Discover Light of Christ Session on Zoom

If you have interest in learning more about Light of Christ as your potential church home, please join us for our upcoming Discover Light of Christ session! As Pastor Bruce has said, Light of Christ has not changed what we are doing but we have changed how we are doing it. With that as our new normal, **we would like to invite you to participate in a "Discover Light of Christ" online session.**

We will be sharing our virtual Discover Light of Christ informational session as a Zoom call on **Sunday evening, November 15<sup>th</sup> from 7:00 – 9:00 PM.**

If you are interested in participating in this session please contact Jinnelle Weis at [locvolunteer@frontier.com](mailto:locvolunteer@frontier.com) or by cell phone at 952-250-5527 by **Wednesday, November 4<sup>th</sup>**. Prior to the Zoom call on Sunday, November 15<sup>th</sup>, we will send a Discover Light of Christ informational packet by mail to your home address and will provide a Zoom meeting identification number and password.

Again, thank you for considering Light of Christ - we look forward to connecting on Zoom and will be blessed to welcome new members to our church family!

## Fresh Produce Distribution Continues

In collaboration with Our Father's Lutheran Church/ Nourishing Hope Food

Drop and through the generosity of Second Harvest Heartland Light of Christ will continue facilitating produce distribution to area residents. Upcoming distribution dates will be Tuesday, November 10<sup>th</sup> and Tuesday, December 8<sup>th</sup>.

We are so grateful to the Light of Christ volunteers that have previously given their time to support this much needed outreach. As we look forward to November and December dates, we will again be asking for help from Light of Christ members. With schedules constantly changing it would be extremely beneficial if we could add additional names to our list of persons willing to assist with this project. The time commitment with each distribution is typically 2 hours or less with distribution beginning at 3:00 PM and running until all boxes have been given out but no later than 5:00 PM.

If this is a community service that interests you and you have ability to give time on your Tuesday afternoons, your help would be very much appreciated. Please add your name to our list of volunteers – you can email [locvolunteer@frontier.com](mailto:locvolunteer@frontier.com) or call Jinnelle Weis at 952-250-5527. Thank you!

## Caring Corner

*Created by Light of Christ  
Healing and Wholeness Ministry*

Good news! We have ten people signed up to take the Mental Health First Aid certification class on November 7<sup>th</sup>. We have reached our limit for safe-distancing. Stay tuned for some tidbits of what we learn. It's so important that we be aware of mental suffering and can support or guide our church family to get the help they may need.

**Tonight** (Monday, October 26<sup>th</sup> at **7pm**) is our first spiritual support group for anyone who loves or cares for someone who suffers with mental illness. We will meet in the library and follow the LOC Covid-19 guidelines. Bring a mug of coffee or tea if you'd like. This group will be led by Lona Jose and Sue Fink, both of whom have worked in either mental health services or nursing careers, and also have family members with mental illness. We welcome you! Invite or tell others who may need support. We plan to meet the second and fourth Monday each month.

Amy Simpson wrote "Troubled Minds," a book we started to study with Pastor Bruce prior to the virus. She advocates for churches to embrace mental health ministries. Her mother has schizophrenia. You can google her name for some wonderful information and personal blogs. This prayer she wrote a couple weeks ago.

### A Prayer for People Living with Mental Illness

**Loving God, I pray for all whose brains have been hurt by disease, injury, stress, trauma, and other factors of human life in a hard world. I pray for all who love them and want to help. I pray for your comfort in their grief, hope amid loss, and the balm of community with people who understand.**

**For people with mental illness-may they find hope in you and feel your longing for them.**

**For parents of children with mental illness-may they know the limits of their power both to cause and to cure.**

**For children of parents with mental illness-may they know you as loving parent and find places where they can grow up in safety, no matter how old they are.**

**For friends of suffering people-may they resist the temptation to try to "fix" their friends and recognize the simple power of their loving presence.**

**For spiritual leaders-may they deny both helplessness and overconfidence, courageously serving as first responders and faithful shepherds.**

**For people who need treatment and don't receive it-may they recognize their need, believe life can be better, and find people who can help.**

**For those burdened by shame and stigma-may they walk into the light and find compassionate people.**

**Lord, I pray for light in the darkness. I pray that people with vulnerable minds will find hope and help among followers of Christ who will love them and point them toward what they need while letting them live with that need. I pray for acceptance and grace-the same kind of grace you offer so freely to all. I pray that many churches will embrace the opportunity for messy and sometimes thankless ministry among the marginalized, in the name of the one whose love knows no margins. Amen.**

### *In-Person Worship Is Now Happening!*

We are now holding one indoor worship service every Sunday at **9:30 AM**. A SignUp Genius will be sent to members each week. Just a reminder that all members must sign up in order to attend, as seating is limited and on a first come, first served basis. We have made some changes to our sign up procedures. Congregation members do not have to pick their seat number. Our Worship and Music Director, Katie Kohler, will email you with your seat number and the sanctuary seating chart by Friday evening. As such, **please sign up for worship by Friday morning.**

The indoor worship will not replace our online services. We will continue to post online worship services on our **YouTube page** as well. As with the outdoor worship service, worship indoors will look a little different than previous indoor services, in order to comply with COVID-19 guidelines. We cannot accommodate more than 72 people. Make sure to sign up **ASAP** as all spots are first come, first served! More detailed information will be included in the weekly email sent out.

We are so excited to gather together again! Thank you in advance for your patience and cooperation as we navigate through all these guidelines. The safety of the whole Light of Christ family is and will always be of the utmost importance.

### **Help Keep Our Online Member Directory Up to Date!**

**Light of Christ Members:** let's stay connected while having to be apart from one another! Don't forget about pictures for the online Church Directory. All you have to do is email your picture to **Terri at the church office** who will coordinate adding it to our directory.

### **Connect and Converse during Zoom Bible Study**

You may be as active in the discussion as you like. We all learn a little something from each other as we ponder the power and beauty and truth of God's Word.

## Sunday School

Sunday lessons are available on our YouTube channel for the 3-year-olds through 2<sup>nd</sup> graders. You can watch the YouTube lesson when it is most convenient for you throughout the week starting at 8:00 am Sunday mornings. We hope that you will take this opportunity to sit down with your child(ren) and help them to grow in their faith by participating as a family. We want to stay as connected" as possible with your child(ren) and their Light of Christ friends. We will continually work on coming up with ideas for gathering together safely during the colder months. Thank you for your support and understanding as we continue to walk with you and your family among uncharted territory. Please email Kim @ [locsundayschool19@gmail.com](mailto:locsundayschool19@gmail.com) if you would like to sign up.

## Basketball Hoop

The basketball hoop that we have at church is very old and needs an update. If anyone has something they could donate (backboard with a rim and net) or is interested in making a donation, please talk to Kirsten. Our youth will benefit from this even in the winter months, since we're doing so much outdoor ministry lately. Thanks for your support!

## Confirmation Continues this Fall

After 4 weeks of great outdoor fellowship and Service Events, small groups are now beginning their first learning unit on the "Bible's Big Story". Pastor Bruce and Kirsten will lead a large group time each Wednesday from 6:30-7 pm via Zoom, teaching about important foundational, faith stories. We have 9 small groups total this year and each week, half of our groups will meet at church (following our Covid Preparedness Plan) and the other half will do break-out groups on Zoom and then will alternate each week. We will continue this plan as long as Delano High School is doing school in a hybrid fashion. If the school switches to full distance learning, our Confirmation ministry will follow the same format and meet solely via Zoom. Thank you for your continued prayers and support during this unprecedented time!

## HS Fellowship

Youth in grades 9-12 are invited to join us weekly for HS Fellowship at church. We will have a bonfire, s'mores, games and more! Our next gathering will be on Wednesday, November 4<sup>th</sup> from 7:30-8:30 pm. We will continue to gather in person as long as Delano HS is doing the hybrid model. Kirsten also has a Snap Chat group which she uses to update the HS youth. Let her know if you want to be added to this group. Hope you can join us!
