Food Distribution

Through the generosity of Second Harvest Heartland and in collaboration with Our Father's Lutheran Church/NourishingHOPE, Light of Christ volunteers again distributed assorted food items to area residents. Food entrees were loaded for transportation to Delano with the help of Wes Aylsworth, Lowell and Maxine Johnson and Paulette Podratz.

Distribution of food took place at Light of Christ on Tuesday, February 16th with nourishment being provided to approximately 65 families. Distribution was accomplished with assistance from Cheri Ashfeld, Wes Aylsworth, Cat Borman, Wendy Caslavka, Steven Dickey, Heidi Goldbeck, Candace Mielke, Paul and Lydia Nelson, JoMarie Williamson and Jinnelle Weis. The continued help of volunteers dedicated to this necessary ministry is a blessing and very appreciated! And, we're especially thankful for everyone braving the very cold temperatures experienced on the 16th!

Light of Christ is grateful to be included in these efforts to assist area families in need. It is heartwarming to experience the willingness of so many to provide resources and assistance needed during this continued unsettling time of COVID pandemic.

A huge thank you to our Light of Christ volunteers and to all who continue to support community members in so many ways!

Caring Corner

(by Sue Fink with LOC
Healing and Wholeness Ministry)

We all know it has been a very difficult year for everyone with COVID, losing or being separated from loved ones, employment challenges, food shortages, schooling at home and many other changes. The word depression has been in the forefront for many people during this time. Sadness and grief are normal emotions for everyone but this last year has affected everyone in a different way. Some who struggle with major depression may be struggling even more during this time. In a given year, 6-8% of people will have a depressive episode and 20-25% will experience depression in their lifetime. Children and adolescents also can struggle with depression. And parents struggle at times to help their children understand their parent's depression.

Most people with depression respond positively when they seek out support and treatment, including therapy, fellowship with others, depression medication, exercise, meditation, light therapy for seasonal affective disorders (SAD) which is more common this time of year and other supports.

As a church community, we are here for you. We want our church to be a safe place for all, open to support those with mental illness, befriending and praying for those who are struggling. Mental illness is not a weakness; it's an illness. Our [church website](#) under **Support** offers several links to assist you through your struggles including prayer chain, pastoral calls/visits, caring cards, [NAMIMN](#), the Warmline, Mental Health MN and several others. We also have several excellent books about mental health in the church library. We also hope to begin in person support groups and informational speakers soon once we can gather safely. **We are here for you!** Let us know how we can support you. And we know the Lord is always there for us as the following scriptures share:

2 Corinthians 1:3-4 Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles so that we can comfort those in any trouble with the comfort we ourselves receive from God.

Psalms 46:10 Be still and know that I am God.

Psalms 3:3 But you, O Lord, are a shield around me; you are my glory, the one who holds my head high.

Isaiah 41:10 So do not fear for I am with you; do not be dismayed for I am God. I will strengthen you and help you; I will uphold you with my righteous right hand.

YOU ARE GOD'S BELOVED!!

Light of Christ Committee Opportunities

The new church year for 2021 is just beginning, holding grand expectations for a time when we can again be together in person to live out our ministry and programs with great enthusiasm! Do not miss being a “hands-on” contributor to all that Light of Christ has to offer to our congregation and our community.

There are several open opportunities for service as a member of one of the many active Light of Christ Committees. Your involvement will be a blessing to so many as you also reap the benefits of new perspectives, new friendships, and closer relationships within your church family.

Please consider sharing your time and talents by joining with fellow congregation members currently serving on a Light of Christ Committee. Wherever your passions lead you, there is an opportunity to serve! The greatest immediate needs for additional participation are on **Evangelism/Mission Committee, Healing & Wholeness Committee, Small Group Ministries, Stewardship Committee and Worship & Music Committee.**

Please contact Jinnelle Weis by email at Jinnelle.Weis@locdelano.com or by phone at 952-250-5527 to volunteer your services or to request additional information regarding any Light of Christ volunteer opportunity.

Thank you for your service!

Youth Room Remodel Task Force

After receiving a generous gift from a family at Light of Christ, a great team of people has been assembled to work on the project of remodeling the Youth Room. The team has met 3 times and is already making great progress! Members of the team include Catherine Borman, Jenna Bunker, Scott Dallmann, Brandt Dinger, Brenna Durick, Jennifer Grant (Chair), Erin Green, Kirsten Kelly, Pastor Bruce Kuenzel, Gretchen Ness, Gary Prinsen and Kim Wortz. We welcome input from the congregation about this project and encourage you to reach out to anyone on the team with any questions or feedback. We expect that construction will begin later this spring and be completed by early September. We are thankful to have 2 high school youth on this team but would welcome 1-2 male high school youth to participate as well. Please contact Kirsten if you are interested! We will continue to keep you updated on progress as things move along. Thanks for your support!

HS Mission Trip

Registration has begun for our summer 2021 HS Mission Trip to Denver, CO through **Service Learning Camps**. Assuming it is safe to travel, the trip will take place July 10-17 and we plan to fly.

Registration is open to youth currently in grades 9-12 through March 3 and then if there are spaces remaining after that point, we may open registration up to current 8th grade LOC youth and possibly other friends. Registration and more info can be found online [through this link](#). We currently have 10 youth registered and there are 20 total youth spaces. Please contact Kirsten with any question and sign up soon!

Fun! Fellowship! Food!

Are you ready for a great night of entertainment, food and fellowship? On Sunday, March 21 at 7:30 pm, you are invited to gather with other LOC members on Zoom for a great event to raise money for our youth! Since we cannot safely have our annual Spaghetti Dinner and Silent Auction fundraiser, this year we are being creative and are having a different sort of event. The night will begin with a short "program" which will include entertainment (by the youth and Marcus Hanson), youth mission trip "testimonies," and a slide show. And while this is going on, you will be able to share some great food and drinks with your family which will be delivered to your door by our youth. Money raised will help support youth going on the HS Mission Trip (those who still need to raise funds) and the Youth Room remodel project. More info will be coming soon, but save the date and get ready for a fun night with your Light of Christ family!

EVERY MEAL

FIGHTING CHILD HUNGER

Sunday School Offering Project

Over 200,000 children in Minnesota do not always have access to the nutrition they need to learn and grow. Without reliable access to food – such as free and reduced meal programs at school – the risk of hunger is very real. Every Meal focuses on the weekend food gap, summers, and extended breaks when children are not able to receive meal programs at school.

STUDIES SHOW:

- One third of students have shown better grades as a results of backpack programs.
- About two thirds of participating students appear less worried about food and healthier.
- Over 50% of students demonstrate high self-esteem after receiving food from a backpack program.

Our Sunday school offerings will be collected from now until the end of the school year to help support Every Meal Fighting Child Hunger (formally Sheridan Story). ***Their mission is to help stop child hunger across Minnesota.*** Children can find a container to use at home, print this label [SS Offering project printable](#) and attach it to your container. Throughout the next couple of months, we will have drop off dates to bring your offerings to church. More details to come. If you have any questions, please contact Kim or Catherine.
