## March brings opportunities to feed our neighbors

### HELP US PACK THE PEWS DURING MARCH

Respond to food insecurity in our own community by filling a grocery bag with much-needed food and household items for our local food shelf. Often needed items:

- Proteins: canned meat, fish and beans, nuts and nut butters
- Fresh or dried herbs and spices
- White/wild/brown rice varieties
- Gluten-free flour and flour blends
- Personal care items: shampoo, soap, deodorant, tooth brushes and tooth paste, feminine hygiene, diapers, toilet paper
- Household supplies: laundry and dish soap, kitchen and bathroom cleansers, paper towels

PACK THE PEWS is organized by the Mission/Evangelism Committee.

### AND LOOKING AHEAD....

Light of Christ volunteers staff the Delano Food Shelf on Thursday afternoons during June and December. Most volunteers work a two-hour shift twice per month. If you'd like to join this group, contact Dee Beilke at [dnlb2@frontiernet.net](mailto:dnlb2@frontiernet.net).

## SUNDAY MORNING ADULT EDUCATION

**Journeys of Hope and Healing.** Over the next few months you are invited to read the book *Troubled Minds: Mental Illness and the Church's Mission*, written by Amy Simpson, who speaks out of her own personal experience of having a family member who has a mental illness. She writes about the experience of her family but also includes surveys of pastors as well as the latest clinical research. She reminds us that people with a mental illness are our neighbors and our sisters and brothers in Christ, and thus, we cannot do what the culture often does, which is to reduce them to caricatures and ghosts, or worse yet, pretend that don't exist. Amy calls us to love everyone and she provides practical strategies and recommendations for living Christ's love for all in our personal lives and in our congregation.

We will also be discussing this book in our Adult Education class on Sunday mornings at 9:30 AM. This book discussion is a part of our strategic initiative to be a community of hope and healing for all who suffer because of a mental illness.

## CARING CORNER

Welcome to our new Caring Corner from The Healing and Wholeness Ministry. Our plan is to keep LOC members updated with how the Holy Spirit is leading us to becoming an inclusive and caring Christian family.

We now have an awesome Mental Health display shelf in the Narthex thanks to Bill Fink. Please help yourself to the resources.

The Library Committee has offered to purchase books that may help people and loved ones navigate and cope through experiences of mental illness and emotional upheaval. Look for them on the display and feel free to use them and return when you're finished. If you have any books to donate, leave them in the bottom cabinet of the display - thank you! God's peace.

# CHILDREN, YOUTH & FAMILY NEWS

We recently had 32 children (ages 3 to 3<sup>rd</sup> grade) participate in our First Communion instruction at Light of Christ. These children will celebrate their First Communion in worship on either March 22, March 29 or April 9. Over the next few months, you will notice younger and younger children coming up to receive the sacrament. Each family will decide on their own as to when their child will participate in the instruction. If you are assisting with communion in worship and a child comes forward with their hands open, please assume that they are receiving communion, unless a parent lets you know otherwise.

If you have further questions about First Communion at Light of Christ, please refer to the information and sermons on our [website](#).

We celebrate with our children and families on these special days and work to continue to live into our belief that “all are welcome”!

## SUMMER BIBLE CAMP DATES

Children and youth who have completed grades 1 and up are invited to attend Bible Camp this summer with Light of Christ! ## WOMEN'S BIBLE STUDY

"The Holy Spirit: Past, Present, and Future" is the topic again for our Women's Bible Study this year. We will continue to explore questions like "What does the Bible and Christian history teach us about the power and presence of the Holy Spirit? How is the Holy Spirit at work in our lives and our world today? Where is the Holy Spirit leading us as we move into a new future?" We will look at the experience and witness of the Christians mystics of the Middle Ages, the Reformers of the sixteenth century, and the modern Pentecostal movement. Come and join us for prayer, study, and conversation about the least known and least understood person of the Holy Trinity. **We meet on the second Tuesday of each month at 10:00 AM.**
