Presentation of Parking Lot Bid	Presented by: Billie Chock, Brandt Dinger, Tim Johnson, Tim Current Notes: Brandt explained about the new bid and what will be done in the parking lot. Tim Johnson shared about the capital campaign and the big picture of providing hospitality and functioning as a church. Tim Current explained the financial impact.
Questions and Comments	Notes: Would there be money left for the fellowship hall? No, we would use the entire remaining capital campaign money for the parking lot unless more money was pledged or given. Question about clarifying north & south parts of parking lot. Is this a different contractor than we have used in the past – the original contractor was unknown. When will the work take place and how long – 5-day project. Not sure if they will be available this fall. Weather and other projects dependent. Will the price stay the same if pushed to spring. Not known at this time. What is Warranty – Warranty workmanship.
